

## Future Age

Still Corners

Swim  
In the sea of love  
And fly  
With the white doves  
Don't drown  
You're almost there  
The TV  
Will say it's not there

It's all within your heart  
It's all within your heart

We cannot see a future age  
It is like  
A nebula of love

Swim  
In the sea of love  
(In the sea of love)  
Swim  
In the sea of love  
Swim  
In the sea of love  
Swim  
In the sea of love
