

## Into The Trees

Still Corners

Someone's coming on... can't stop  
Some... every move,... have you wonder why?  
Take a... trees, so I told...  
Underneath, favorite trees, in between...

Something's... so real, can you feel

Is the wall inside?  
In your mind,... done, every breath...  
Take a... to the trees, so I told...  
Underneath, in a dream, in between.
