

Lose More Slowly

Still Corners

It's a roll of the dice
Every day in this life
I wake up and go
To where I just don't know

But the sun is high
And I feel and I feel that the time is now
And I know, I can't always win
But I can lose more slowly

On the road again
Take the one less travelled
Now I won't pretend
That I'm never gonna think of you

But the sun is high
And I feel and feel that I'm wasting time
And I know, I can't always win
But I can lose more slowly

The house always wins
You can play your cards

It's a roll of the dice
Every day in this life
I wake up and go
To where I just don't know

But the sun is high
And I feel and I feel that the time is now
And I know, I can't always win
But I can lose more slowly

Ah
The house always wins
You can play your cards

It's the name of the game
You gotta go through thick and thin
The house always wins, hmm
The house always wins
You can play your cards
It's the name of the game
