

So Lee

Stina Nordenstam

Slowly, it is how it goes Lee
The song in which he leaves me
This is how it goes

So Lee, what do you have to tell me
That if he doesn't leave me
I'll shape up so he won't

Oh Lee I wanted so to be Lee
Grown up just like you Lee
I wanted it so

Oh Lee standing in this fucking rain Lee
I don't want to be me Lee
I don't want it all

Slowly, the song in which he leaves me
This is how it goes Lee
This is how it goes

So Lee what do you plan to tell me
That if he doesn't leave me
I'll shape up so he won't

Oh Lee I wanted so to be Lee
Grown up just like you Lee
I wanted it so

Oh Lee standing in this fucking rain Lee
I don't want to be me Lee
I don't want it at all

Slowly, slowly, slowly
Slowly, slowly, slowly

Slowly, slowly, slowly
Slowly, slowly, slowly
