

# Welcome To Happiness

Stina Nordenstam

Welcome to happiness  
No smoking allowed  
Here it's easy to burn yourself  
And equally hard to survive

Taste the sweat on your upper lip  
Welcome to hunger and thirst  
Welcome to happiness  
It may appear shocking at first

Be ready to go  
You'll never know when  
You'll never know why

Welcome to longing  
To wanting to taste and to touch  
Mind the gap, here's depending  
Here is wanting to much

Be ready to go  
You'll never know when  
You'll never know why  
Take off any time.
