

# It's Probably Me

Sting

**Emmaj9** **Em6add9**  
If the night turned cold and the stars looked down  
**Em7add9** **Em6add9**  
And you hugh yourself on the cold cold ground  
**Am7** **Bm7**  
You wake the morning in a stranger's coat  
**Em Emadd9 Em**  
No one would you see

**Am7** **Bm7**  
You ask yourself, who'd watch for me  
**Em** **Em/C#**  
My only friend, who could it be  
**C**  
It's hard to say it  
**B7** **Emmaj7 Em6**  
I hate to say it, but it's probably me

When your belly's empty and the hunger's so real  
And you're too proud to beg and too dumb to steal  
You search the city for your only friend  
No one would you see

You ask yourself, who could it be  
A solitary voice to speak out and set you free  
I hate to say it  
I hate to say it, but it's probably me

**Am7** **D**  
You're not the easiest person I ever got to know  
**Gadd9** **G** **Am7 EmD Am7**  
And it's hard for us both to let our feelings show  
**Bm7**  
Some would say I should let you go your way  
**Gadd9 G**  
You'll only make me cry

**Am7** **Bm7** **Gmaj9**  
If there's one guy, just one guy  
**Em** **Em/C#**  
Who'd lay down his life for you and die  
**C**  
It's hard to say it  
**B7** **Emmaj7 Em6 Emmaj7 Em6**  
It's hard to say it, but it's probably me

When the world's gone crazy and it makes no sense  
There's only one voice that comes to your defense  
The jury's out and your eyes search the room  
And one friendly face is all you need to see

**Am7** **Bm7** **Gmaj9**  
If there's one guy, just one guy  
**Em** **Em/C#**  
Who'd lay down his life for you and die  
**C**  
It's hard to say it

**B7** **Am7 A7**  
I hate to say it, but it's probably me

**C**  
I hate to say it

**B7** **Am7 A7**  
I hate to say it, but it's probably me
