

# Seven Days

Sting

## Cmaj7

"Seven days" was all she wrote

**Es**                    **B**

A kind of ultimatum note

**G**                    **F**                    **Fadd9**

She gave to me, she gave to me

## Cmaj7

When I thought the field had cleared

**Es**                    **B**

It seems another suit appeared

**G**                    **E**

To challenge me, woe is me

## Cmaj7

Though I hate to make a choice

**Es**                    **B**                    **G**

My options are decreasing mostly rapidly

**F**                    **Fadd9**

Well we'll see

## Cmaj7

I don't think she'd bluff this time

**Es**                    **B**

I really have to make her mine

**G**

It's plain to see

**E**                    **E7**

It's him or me

## Fmaj7 Fmaj7/F#                    G

Monday, I could wait till Tuesday

**E7/As**                    **Am**

If I make up my mind

**Fmaj7**                    **G**                    **E7/As**                    **Am**

Wednesday would be fine, Thursday's on my mind

F#7-5/nr Am F#7-5/nr Friday give me time, Saturday could wait

**Fm**                    **Cmaj7**

But Sunday'd be too late

## Cmaj7

The fact he's over six feet ten

**Es**                    **B**

Might instill fear in other men

**G**                    **F**                    **Fadd9**

But not in me, The Mighty Flea (flee?)

## Cmaj7

Ask if I am mouse or man

**Es**                    **B**

The mirror squeaked, away I ran

**G**                    **E**

He'll murder me in time for his tea

## Cmaj7

Does it bother me at all

My rival is Neanderthal it makes me think  
Perhaps I need a drink

**Cmaj7**  
IQ is no problem here  
**Es**                           **B**                           **G**  
We won't be playing scrabble for her hand I fear  
**E**                           **E7**  
I need that beer

**Fmaj7 Fmaj7/F#** **G**  
Monday, I could wait till Tuesday  
**E7/As** **Am**  
If I make up my mind  
**Fmaj7** **G** **E7/As** **Am**  
Wednesday would be fine, Thursday's on my mind  
F#7-5/nr Am F#7-5/nr Friday give me time, Saturday could wait  
**Fm** **Cmaj7**  
But Sunday'd be too late

**B** Cmaj7  
Seven days will quickly go  
**B** Cmaj7  
The fact remains, I love her so  
**B** F  
Seven days, so many ways  
**B** Cmaj7  
But I can't run away

**Fmaj7 Fmaj7/F#** **G**  
Monday, I could wait till Tuesday  
**E7/As** **Am**  
If I make up my mind  
**Fmaj7** **G** **E7/As** **Am**  
Wednesday would be fine, Thursday's on my mind  
F#7-5/nr Am F#7-5/nr Friday give me time, Saturday could wait  
**Fm** **Cmaj7**  
But Sunday'd be too late

**Cmaj7**  
Do I have to tell a story  
**B** **Cmaj7B**

Of a thousand rainy days since we first met  
**Cmaj7**  
It's a big enough umbrella  
**B** **Cmaj7 B C**

But it's always me that ends up getting wet
