

Spread A Little Happiness

Sting

Even when the darkest clouds are in the sky
You mustn't sigh and you mustn't cry
Spread a little happiness as you go by
Please try
What's the use of worrying and feeling blue
When days are long keep on smiling through
Spread a little happiness till dreams come true
Surely you'll be wise to make the best of every blues day
Don't you realize you'll find next Monday or next Tuesday
Your golden shoes day
Even when the darkest clouds are in the sky
You mustn't sigh and you mustn't cry
Spread a little happiness as you go by
I've got a creed for every need
So easy that it must succeed
I'll set it down for you to read
So please, take heed
Keep out the gloom
Let in the sun
That's my advice for everyon
It's only once we pass this way
So day by day
Even when the darkest clouds are in the sky
You mustn't sigh and you mustn't cry
Spread a little happiness as you go by
Please try
What's the use of worrying and feeling blue
When days are long keep on smiling through
Spread a little happiness till dreams come true
Surely you'll be wise to make the best of every blues day
Don't you realize you'll find next Monday or next Tuesday
Your golden shoes day
Even when the darkest clouds are in the sky
You mustn't sigh and you mustn't cry
Spread a little happiness as you go by
(whistling solo)
Surely you'll be wise to make the best of every blues day
Don't you realize you'll find next Monday or next Tuesday
Your golden shoes day
Even when the darkest clouds are in the sky
You mustn't sigh and you mustn't cry
Spread a little happiness as you go by
