## When We Dance

If he loved you Like I love you I would walk away in shame I'd move town I'd change my name

When he watches you When he counts to buy your soul On your hand his golden rings Like he owns a bird that sings

When we dance, angels will run and hide their wings

The priest has said my soul's salvation Is in the balance of the angels And underneath the wheels of passion I keep the faith in my fashion When we dance, angels will run and hide their wings

I'm still in love with you [I'm gonna find a place to live Give you all I've got to give] When we dance, angels will run and hide their wings When we dance, angels will run and hide their wings

If I could break down these walls And shout my name at heaven's gate I'd take these hands And I'd destroy the dark machineries of fate Cathedrals are broken Heaven's no longer above And hellfire's a promise away I'd still be saying I'm still in love

He won't love you Like I love you He won't care for you this way He'll mistreat you if you stay

Come and live with me We'll have children of our own I would love you more than life If you'll come and be my wife When we dance, angels will run and hide their wings When we dance, angels will run and hide their wings When we dance, angels will run and hide their wings When we dance, angels will run and hide their wings

I'm gonna love you more than life If you will only be my wife I'm gonna love you more than life If you will only be my wife I'm gonna love you night and day I'm gonna try in every way

(I had a dream last night

I dreamt you were by my side Walking with me baby My heart was filled with pride I had a dream last night)
