

Straitjacket

Stitched Up Heart

I don't know about you
But my heart needs a straitjacket

Midnight I'm staring at the window
Somewhere in a city that I don't know
Your eyes are the only thing that makes me feel like home

And out there there's a world full of people
And out there there's a whole lot of evil
Your arms wrapped around me, makes me lose control

Woah woah woah oh

I don't know about you
But my heart needs a straitjacket
And I don't know what to do
Tie me up I can take it
You make me crazy now
You make me crazy now
You make me crazy now, hush!
I don't know about you
But my heart needs a straitjacket

Maybe it's all of these places
Maybe it's all of these faces
Something about it is dangerous
I'll push you up to the edge now
How does it feel when you look down?
All of the madness surrounding us

Woah woah woah oh

I don't know about you
But my heart needs a straitjacket
And I don't know what to do
Tie me up I can take it
You make me crazy now
You make me crazy now
You make me crazy now, hush!
I don't know about you
But my heart needs a straitjacket

Another lonely road
Another place I know
You make me feel like home
You make me feel like home
Another lonely road
I need place I know
You make me feel like home
You make me feel like home

I don't know about you
But my heart needs a straitjacket
And I don't know what to do
Tie me up I can take it
You make me crazy now
You make me crazy now

You make me crazy now, hush!
I don't know about you
But my heart needs a straitjacket
