

Twenty-four-seven  
 I be in the kitchen  
 I be in the kitchen  
 I be in the kitchen  
 Twenty-four-seven  
 I be in the kitchen

 I can turn ten into twenty chickens

 I ain't no cookboy, but I be in the kitchen

Aye, I can turn cocaine into crack (Straight up!)  
 The work you workin' with, I know that shit is wack (Fool!)  
 I got a better price than your main connect (I do!)  
 But I don't talk up on the phone so how we gon' connect?  
 I cannot trust these boys, they all work with the feds  
 They get caught for a half a brick and then write a statement  
 (Snitch!)  
 But for the right price I can teach you how to whip it  
 I'm a kingpin when it comes to a kitchen (You know it!)  
 I can upgrade yo life, put chickens in yo life  
 Cocaine is my wife, I been about this life  
 You's a fairy tale, you fake as fuck  
 You broke as fuck, that's why I had to front you, bruh!

Twenty-four-seven  
 I be in the kitchen  
 I be in the kitchen

 I can turn ten into twenty chickens  
 I can turn ten into twenty chickens  
 I ain't no cookboy, but I be in the kitchen

Cookin' in the kitchen, but I ain't a chef  
 All these fumes up in the kitchen make you lose your breath  
 Whip game right, then I hit up my connect  
 And get my wrist game right, keep my pimp game tight  
 Fuck your mamma and your girl, on the same night  
 Leanin' in my whip from that lean in that sprite  
 Lookin' clean in that white, I'm Mr. Clean with that white  
 Activated from the activist, I'mma cocaine activist  
 Don't play with my money, I blast a bitch  
 If you missed yo shot, just pass the brick  
 You ain't gotta lie, just keep real  
 All these boys fake when shit gets real  
 Foldin' under pressure, playin' in the field  
 I'm a savage in this game, I was built to kill  
 24/7 I be whippin' just to pay the bills

Twenty-four-seven

I be in the kitchen

I be in the kitchen  
Twenty-four-seven
