Naked bitches on my plane, but it ain't nothin'  
White tee, Jordans on, bitch, I'm always stuntin'  
Two bitches, Cuban and a Russian  
I'm a rich motherfucker, end of discussion  
Bitches callin' me life savior  
Cause I got all the party favors  
I was a drug dealer  
But I had to go legit cause the cops always follow a nigga  
Now I'm livin' life  
And I'm gettin' sucked off by a bitch who got the same name as your wife  
Cocaine make her crazy  
Now she tellin' me she want me to give her ass a baby

I got Dan Bilzerian money

All you haters really so funny  
Imma get sucked off while I count my money

I got a lot of guns up in my house and a million dollars in cash  
Instagram famous, hoes always shakin' they ass  
In my mansion, drinkin' liquor  
Pop the molly, snortin' cocaine, nigga  
I'm just smokin' weed, though  
Cause on my tour, I swear to God, I snorted a kilo  
Now I gotta lay low  
Cause the popo tryna catch me slippin' with the coco  
Hop up on the boat  
And go wherever the fuck I want  
Fuck you and your feelings, boy  
I know the truth, you wish that you could be a motherfuckin' dope boy

I got Dan Bilzerian money
