

## Best Coco

## Stitches

I know what you came to my crib for  
Word around town I got the best coco  
You wanna be with a thug  
I am a thug baby lets ride  
You know what it is to be broke  
Im bout to show you how it feels at the top  
I know what you came to my crib for  
Word around town I got the best coco  
You wanna be with a thug  
I am a thug baby lets ride  
You know what it is to be broke  
Im bout to show you how it feels at the top

I remember the days when they used to say I wouldn't be shit  
But the tables turn they see me in person and ask for a pic  
All of that hatred  
All of that doubt  
It just made me better  
Talking shit about me to that bitch  
I hope it make you feel better  
I just keep moving that weight  
Shipping it state to state  
Riding with my AK 47  
Cause these boys be fake  
Then I keep trapping  
Man I keep riding foreigners  
All of these bitches  
Showing their titties while Stitches be touring  
Im in the back of that Rolls Royce  
Bitch you know that Im a dope boy  
Like Johnny Depp I sell blow boy
