Pop that cork on that champagne, girl, while you dancin'  
It take nothin' to me, baby girl, I do this often  
Pop that ass up on me, pussy runnin' like a faucet  
The Rémy, the Henny, the Twenty, the Rosé  
I'm bradin', yo, I'm twisted  
Niggas [?]

Everyday I'm in the club and you know Stitches be ballin'  
It's TMI Gang, homie, your girl eat my pepperoni  
She call me everytime she in the crib and she is lonely  
Drinkin' CîROC like P. Diddy, pourin' Belaire on her titties  
I ain't gon' be your boyfriend, girl, cause I will never be committed  
These hoes ain't loyal, these hoes ain't loyal  
She ugly when she suck my dick like a gargoye

That bitch my lawyer, that bitch my lawyer  
I give her good dick so I got a free lawyer  
My life is good, my life is gravy  
My mama said, "God bless you", but he couldn't save me
