Better have my money when I come to collect

Pay up, pay up, pay up

(Pop, pop, pop, pop)
You ain't a man, you's a kid, call it child neglect, lil boy
If you wanna shoot a fade, I'll leave your face leakin'
You better not tell the police I did it
Out in Dade County, anything goes
Always at the scene with some blood on my clothes
Then I go sell coke to your ho
Sorry if you didn't know
That your girl love my blow
One hit, now the girl on the pole
I LOVE SELLIN' BLOW!
I LOVE SELLIN' BLOW!
I LOVE SELLIN' BLOW!

I put that brick in your face
(Say what)
Now what you gon' do with it?

Now what you gon' do with it?
Better have my money when I come to collect
