

## Change/Wasted

Stitches

Sometimes I gotta sell drugs, I hope that don't change a thing  
I hope that don't change a thing  
Sometimes I gotta pull the trigger, that's just part of the game  
That don't mean that I don't feel ashamed  
I pray to God every day, Lord show me another way  
I was chasing that paper, I was surrounded by fakes  
Everything I was searching for was in front of my face  
I hate that I'm the reason that them tears fall down on your face

Ma, I'm sorry  
I didn't mean to cause this  
I'm lost in the motion  
Keep my third eye open  
I can't trust this, oh no no  
Can't trust none of these hoes, no no  
If it reach the boiling point, no no  
I'ma send 'em to the Lord, oh oh

I ain't a gangster but please do not test me  
I grew up a screw up and now I got blessings  
I'm more like a hippy but life just got hectic  
Now that I'm on top, I do not regret it

Sometimes I gotta sell drugs, I hope that don't change a thing  
I hope that don't change a thing  
Sometimes I gotta pull the trigger, that's just part of the game  
That don't mean that I don't feel ashamed  
I pray to God every day, Lord show me another way  
I was chasing that paper, I was surrounded by fakes  
Everything I was searching for was in front of my face  
I hate that I'm the reason that them tears fall down on your face
