## Stitches

When I went to Mexico, my life changed  
When I went to Mexico, my life changed  
When I went to Mexico, my life changed  
When I went to Mexico, my life changed  
I got my bricks from Julio  
I got my bricks from Julio  
I'm drinkin' on Don Julio  
A hundred bricks from Julio, Julio

When I met Julio, I swear to God, my life changed  
He done put me in that serious cocaine game  
He told me what I had to do to get away with crime  
And now I'm always loaded up with money all the time  
He got locked up and man, I had to post his bail for him  
He was a real nigga with me, I kept it real with him  
You wanna tell on your plug, well, you's a pussy nigga  
If they snatch me up, I don't know who the fuck is that nigga  
I say, "Fuck you, and your feelings"  
In the drug game I done made a killin'  
Niggas want a problem, I'm ready for war  
If you want problems, nigga, we come to your door  
If you got a problem, nigga, I'll put you on the floor  
And I put a gun right down in your throat  
Shoot you in your body and your intestine  
Don't ask me no fuckin' questions  
When they put me in that room I don't ever fold  
When they put me in that room I don't ever fold  
Fuck you pussy pig  
I need my lawyer, I ain't sayin' shit

Fuck this fame and fuck this music shit, I love that coco  
They say that I'm loco and I done just went global  
They always doubtin' Stitches but now I'm on the top, ho  
And I'm from MIA, yo, I don't use a scale  
I ball that work, bitch, and I don't ever fail  
I'm always on point, ho, especially with my kilos  
And bricks come through the mail and they don't ever smell  
Wrapped up in saran wrap and a lil foil  
And a vaccum seal, you know the drill, ho  
Drug dealer 'til the day I die, all the drugs that I supply  
Cocaine is the first one that I always wanna supply
