Stitches

Nigga, you can never rob me, rob me
Nigga, you can never rob me, rob me
I always keep some choppers 'round me, 'round me
I always keep some shooters 'round me, 'round me

Nigga, you can never rob me, rob me
I always keep some choppers 'round me, 'round me

You can never rob me, you can never rob me
I used to rob dope dealers, nigga as a hobby
Rob and they give me yo chop in my body
Fuck the police, nigga they can never stop me
When you a boss you pay the cops off
Me and my squad taking off
They can't, nigga that's my city
I'm snorting cocaine off a titty
These industry niggas don't like my music, fuck 'em
Any rapper in this industry, I can rob him
Nigga, you don't want a problem
I'm the definition of a problem

Nigga, you can never rob me, rob me
Nigga, you can never rob me, rob me
I always keep some choppers 'round me, 'round me
I always keep some shooters 'round me, 'round me
Nigga, you can never rob me, rob me
Nigga, you can never rob me, rob me
I always keep some choppers 'round me, 'round me
I always keep some shooters 'round me, 'round me

Shout out to my drug dealers
Shout out to my thug niggas
All my niggas robbin', robbin'
I tell 'em to go, they start robbin'
I'm the realest rapper that you ever heard
I'm a real street nigga, man of my word
If you a real nigga, put your hands up
If you a drug dealer, put your hands up
Never leave my crib without my strap and that's a fact
AK-47 and if not I use my MAC
You better take your chain off
You better take all of your juice off

Nigga, you can never rob me, rob me
Nigga, you can never rob me, rob me
I always keep some choppers 'round me, 'round me
I always keep some shooters 'round me, 'round me
Nigga, you can never rob me, rob me
Nigga, you can never rob me, rob me
I always keep some choppers 'round me, 'round me
I always keep some shooters 'round me, 'round me
