## Stitches

I'm pouring up a pint, I'm smokin' on that kush  
Whippin' up cocaine, bitch I'm about to cook  
You wanna sell drugs, follow my foot steps  
Then you'll receive cocaine at your door step

Through the mail [x9]

I'm whippin' that dope in the kitchen  
Bitch you know that I'm sellin' them pigeons  
Bitch you know that I'm servin' them chickens  
They hatin' on me because they know Im winnin'  
Cocaine bitch, it made me  
Mom gave birth to a drug dealin' baby  
I can't sell to you if you a pussy  
If you a real one we could cook up a cookie  
Drug lord, I am when it comes to the mail  
Im the man, I can put them kilos in your hand  
Don't try to go stunt postin' on the 'gram  
Feds watchin', all day  
I've been sellin' drugs, all day  
Sendin' bricks through the mail, all day  
Stay true to the game, I'm one way

Im sendin' bricks through the mail  
If I go to jail, no bail  
Still flippin' bricks, and that sell  
While I make a call on my cell  
Cocaine is one hell of a drug  
Take a bump of mine's, and you fall in love  
I only sell bricks, I don't sell dubs  
And I don't sell dope to no scrubs  
Re-write, that's you  
Rippin' off your custo's ain't cool  
You should come to my drug dealer school  
It's time for you to stop actin' like a fool!
