Stokley

Passion like magnetic force
The sweetest love I've ever had
Felt just like when eagles soar
Then sweet turned to a sour patch

I was lightning you were thunder
Not over you wanna be under
Cause you drive me roller coaster
Rotation, can't take it
Dancing around, playing games
Simon says, no Macarena
I wanna get us back to love again

It's not just easy come easy go
It's a waterfall of pure emotion, baby
Hypnotic patterns like kaleidoscopes
Don't let our love wash away
Let our love cascade

Solar flares ignite our tongue
We said sh** that we never meant no
A trigger pulls a smoking gun
Can we reverse the damage dealt?

I was lightning you were thunder
Not over you wanna be under
Cause you got me roller coaster
Rotation, can't take it
Dancing round, playing games
Simon says, no Macarena
I wanna get us back to love again

It's not just easy come easy go
It's a waterfall of pure emotion, baby
Hypnotic patterns like kaleidoscopes
Don't let our love wash away
Let our love cascade

We're dancin' around these emotions a waltz into a tango
Let's switch from a lemon to sweetness of a mango
This love will always bring you back
Without you there's nothing left for me, oh

(Come on, baby, come on, baby...)

It's not just easy come easy go
It's a waterfall of pure emotion, baby
Hypnotic patterns like kaleidoscopes
Don't let our love wash away
Let your love cascade
It's not just easy come easy go
It's a waterfall of pure emotion
Hypnotic patterns like kaleidoscopes
Don't let our love wash away
Let our love cascade
