

If you're choosin choosin choosin choose
Ain't no other option but to do it, do it, do it, do it
Turn it up loud now show me that vibrant side
I'm trying to get wild, baby, I'm a vibrant type

Think it's bout time for me to set the tone
Stand up wanna see you vertical
Where we bout to go you won't need your phone
It's another world metaphysical

Best believe I'm bout to (slide...)
On Mamma's I ain't trippin', baby, we can take a (ride...)
Ain't no stopping once we get going
No, don't hit the brakes
Unless you break it down a little more
For me don't make me wait, I'm sayin', let's play

If you're choosin choosin choosin choose
Ain't no other option but to do it, do it, do it, do it
Turn it up loud now show me that vibrant side
I'm trying to get wild, baby, I'm a vibrant type

Can't be afraid to just let it go
Rhythm in your soul too electrical
Get your ass up off the wall
I came out, to show out, don't know bout you

Best believe I'm bout to (slide...)
On Mamma's I ain't trippin', baby, we can take a (ride...)
Ain't no stopping once we get going
No, don't hit the brakes
Unless you break it down a little more
For me don't make me wait, I'm sayin', let's play

If you're choosin choosin choosin choose
Ain't no other option but to do it, do it, do it, do it
Turn it up loud now show me that vibrant side
I'm trying to get wild, baby, I'm a vibrant type

(Oochie oochie yams on her damn make em dance)
Lolly bring your friends, make em dance, make em dance

Foot to the pedal, quick with the metal
I'mma skate to bake until the whole cake settle
Mellow, mellow, welcome to the ghetto
Stokley provoked me to do it a cappella so
I'mma flip it with the dip on the 4
Right leg, left foot put the hip in the flow
Skip in the toe, I spit magnificent flow
None of that, 100 racks, run it back
Yeah 1-2-1-2, on the dance floor baby make it do what it do
I got Gin, Hen and a bunch of my friends
And we can get it like that because that's what time it is
I know you've heard of my reputation
Big Snoop Dogg, I am a soul sensation
Put the dip in your hip, put the glide in your slide
Now we can bounce, rock, right, right

If you're choosin choosin choosin choose
Ain't no other option but to do it, do it, do it, do it
Turn it up loud now show me that vibrant side
I'm trying to get wild, baby, I'm a vibrant type
