

Circuit Bent

STOMACH BOOK

My heart is circuit bent
I'm getting tired of this
Let's wrap it up
'Cause I know it's over

My heart is circuit bent
I'm getting tired of this
Let's wrap it up
'Cause I know it's over now

Daydreams drip out of my eyes
I won't be fooled tonight
I'll destroy everything
A swollen overgrown dream
A sickness always building
Hope is a bad trip

My heart is circuit bent
I'm getting tired of this
Let's wrap it up
'Cause I know it's over

I'm getting tired of this
Let's wrap it up
'Cause I know it's over now
