

Another Day

Stone Broken

Never found the time, to tell you, you were on my mind
These three words of mine, I wanna tell you but they're locked
inside
And I yeah I, just wanted to say

Always tried to find, a little bit of you to give peace of mind
So I look around, for a heart that beats but makes no sound
And I yeah I just wanted to say
Oh

When you left you took a part of me
I'm not the man I used to be
Would you catch me if I'm falling
If you were there I will believe I'll wear my heart upon my sleeve
Would you answer If I'm calling

And I, yeah I, didn't wanna say
And I, yeah I'll wait for another day
Ooh oh

Never found the time, to tell you, you were on my mind
But now we fade away

When you left you took a part of me
I'm not the man I used to be
Would you catch me if I'm falling
If you were there I will believe I'll wear my heart upon my sleeve
Would you answer if I'm calling
When you are there I am complete, I'm still the man I used to be
Would you catch me if I'm falling
If you were there I will believe, just close your eyes I'll make you see
I won't waste another day
