

## This Life

### Stone Broken

Sometimes I feel like I can't get over anything  
Feels like I'm stuck in a hole I'll give up everything  
I'm spinning around and around and around  
On the simple things  
But I'm still here  
Oh

I'm gonna do what I need to survive  
I'm not gonna run away and hide  
Take this fear and leave it behind  
Oh, Oh no I'm not gonna waste this life

Sometimes it feels like you just can't find your way yeah  
Feels like forever you can't see its just another day  
You walk around and around and around but you can't find your way  
ay  
But I'm still here  
Oh

I'm gonna do what I need to survive  
I'm not gonna run away and hide  
Take this fear and leave it behind  
Oh. Oh no I'm not gonna waste this life

This time I'm gonna find my sign  
I'm gonna find my sign, gonna find my sign  
For once I'm feeling alive, yeah

I'm gonna do what I need to survive  
I'm not gonna run away and hide  
Take this fear and leave it behind  
Oh. Oh no I'm not gonna waste this life

I'm gonna do what I need to survive  
I'm not gonna run away and hide  
Take this fear and leave it behind  
Oh. Oh no I'm not gonna waste this life
