Bertha

Stone Sour

Oh God...
Get on up!

Got my heels and got my purse, got my cups, it could be worse
With my disgrace all taped back, find a man and hit the sack

Not a woman?
That's plain to see!
Not a man?
I guess it's me!
Whoa!

Hit the bars, start hitting on men and women, won't take long
Gimme all my love to use
A young embrace that I'll abuse!

Not a woman?
That's plain to see!
Not a man?
I guess it's me!

I just wanna love the whole wide world...
Wrap these meat hooks all around the world...
I can make it happen...
I can see the future...
Man I'm gonna take it all...
Take it all!

BOOM SHAKA BAKA BAKA!
BOOM SHAKA BAKA BAKA!

No one will ever beat me!
No one will take it first!
No one will ever clone me!
I get what I want!

Not a woman?
That's plain to see!
Not a man?
I guess it's me!
Not a woman?
That's plain to see!
Not a man?
I guess it's me?
It's me?
It's me?
It's me?
