Stone Sour

You were my fire  
So I burned 'til there was nothing left to me  
I, I touched your face  
I held you close  
'Til I could barely breath

Why give me hope?  
Then give me up  
Just to be the death of me  
Save the rest to me

'Cuz I see you  
But I can't feel you anymore  
So go away  
I needed you  
But I can't need you anymore  
You hesitate

Now, now and then  
You come around  
Like there's something left for me  
You were one  
You were everything  
I'm still here  
But I'll just keep the rest to me

'Cuz I see you  
But I can't feel you anymore  
So go away  
I needed you  
But I can't need you anymore  
You hesitate

\*Oh we never made it  
You hesitated  
I don't believe  
That I see you  
But I can't feel you anymore  
So go away  
I needed you  
But I can't need you anymore  
You hesitate

'Cuz I see you  
But I can't feel you anymore  
So go away  
I needed you  
But I can't need you anymore  
You hesitate
