Stone Temple Pilots

I'd like to sing a story for you
Here's what I'd sing if I could impress you
Hear me can you hear me?
Hear me can you hear me?
Hear me can you hear me now?

You've got to be the prettiest girl
I've ever witnessed in the whole world
Hear me can you hear me?
Hear me can you hear me?
Hear me can you hear me now?

We both talk about love
We both know about love
We both sing the songs
Can you hear me can you hear me now?

Yeah, come on come on now
Yeah, come on come on now
Yeah, come on come on now
Yeah, come on come on

I'd like to write a story for you
with a little melody pretty for you
Hear me can you hear me?
Hear me can you hear me?
Hear me can you hear me now?

Never condescend to you, my dear
Always speak the words so lovely to hear
Hear me can you hear me?
Hear me can you hear me?
Hear me can you hear me now?

We both talk about love
We both know about love
We both sing the songs
Can you hear me can you hear me now?

Yeah, come on come on now
Yeah, come on come on now
Yeah, come on come on now
Yeah, come on come on

Where did you come from
Where are you now?
Just like an angel
Seems like you left me
When you broke down
Down
Down
Down

Yeah, come on come on now
Yeah, come on come on now
Yeah, come on come on now
Yeah, come on come on
