

Dancing Days

Stone Temple Pilots

Dancing days are here again
As the summer evenings grow
I got my flower, I got my power
I got a woman who knows
You know, it's all right
I said, it's all right
I guess it's all in my heart
You'll be my only, my one and only
If that's the way it should start

Crazy ways are evident
In the way you're wearing your clothes
Sippin' booze is precedent
As the evening starts to glow
I said, it's all right
You know, it's all right
I guess it's all in my heart
You'll be my only, my one and only
If that's the way it should start

I told your mama, I'd get you home
But you didn't say I got no car
I saw a lion, he was standing alone
With a tadpole in a jar
I know, it's all right
You said, it's all right
I guess it's all in my heart
You'll be my only
My one and only
If that's the way it should start

Dancing days are here again
As the summer evenings grow
You are my flower, you are my power
You are my woman who knows
You know, it's all right
I said, it's all right
I guess it's all in my heart
You'll be my only, my one and only
If that the way it should start
