## **First Kiss on Mars**

## **Stone Temple Pilots**

Take a risk and listen to the radio Click your heels at the bi-polar disco Fly down the villa destination sign Everybody feels the days but waits for summer nights

Boy meets girl
They might drive in modern love

Can we really find Love, the magic place we dream of Super magic robots set the Solar system free

Reel over, reel over and over Reel over, reel over

Take a risk and listen to the radio Click your heels at the bi-polar disco Fly down the villa destination sign Everybody feels the days but waits for summer nights

Boy meets girl They might drive in modern love

Can we really find Love, the magic place we dream of Super magic robots set the Solar system free

Reel over, reel over and over Reel over, reel over and over

Reel over, reel over and over Reel over, over and over again
