I'm so scared
Feelings for you
Feelings for you
I'm so scared
Can you feel me

I'm so scared if I do
Show my feelings for you
Need to know what you're feeling
Know what you're feeling
I'm so scared if I do
Show my feelings for you
Can you feel me

Know you what you're feeling
Can you feel me
Know you what you're feeling

Can you feel me
Know you what you're feeling
Know you what you're feeling
Can you feel me

I'm so scared if I do
Show my feelings for you
