

# My Name

Stonebwoy

Hey hey hey hey bihm  
Oh what a life, Stonebwoy  
After you make it  
Better watch who you keep around you  
Naugh a dem a fake it  
Tough time come dem no sticking with you

Don't call mi name  
If you no hustle with me from the beginning  
Oh what a shame  
Why do you want me to fail at the end of the day  
Don't call mi name  
If you no hustle with me from the beginning  
Oh what a shame  
Why do you want me to fail at the end of the day  
You only know my name  
You don't know my story oh no no  
Bihm oh no no no

As me hustle for the paper  
I and I put life first and a ask God fi favor  
Wishing good fi me neighbor  
A where the hater deal there fo go help with the labor  
No where to find them  
Only a few was kind and  
Like a diamond from the dust I new my star will shine  
Don't call mi name

Don't call mi name  
If you no hustle with me from the beginning  
Oh what a shame  
Why do you want me to fail at the end of the day  
Don't call mi name  
If you no hustle with me from the beginning  
Oh what a shame  
Why do you want me to fail at the end of the day  
You only know my name  
You don't know my story oh no no  
Bihm oh no no no

Ni no know why dem want me expire  
Mi house fi catch fire  
Flat just like a care tire  
Mi na stop pray to the Messiah  
The devil is a lair  
I just keep going higher  
Aiya ya ya ya ya  
See dem know my name  
Dem no know my story na na na na na  
Talk your own to me it no matter yee

Don't call mi name  
If you no hustle with me from the beginning  
Oh what a shame  
Why do you want me to fail at the end of the day  
Don't call mi name  
If you no hustle with me from the beginning

Oh what a shame  
Why do you want me to fail at the end of the day  
You only know my name  
You don't know my story oh no no  
Bihm oh no no no

I don't owe you nothing  
Just keep pushing my thing  
You don't owe me nothing  
Bette focus on your thing  
I don't owe you nothing  
Just keep pushing my thing  
You don't owe me nothing  
Better you focus on your thing
