

Not Again

Stonebwoy

To the broken hearted worldwide
To the broken hearted

Feels it knows it better
I'm singing this few words yah
Going out to every player
Gwaan go tell dem cheaters
Not again!
Your pretty face nah go hold me dung no more
Not again!
I gave it all but u dropped on the floor
Not again!
Not again mi nah go in this no more
No No No Go in this no more

Every gyal want a man from foreign
Mama a check who and who she a par with
Dem tired a di bread and sardin
Want know which car him a drive
In a cudda Benz or bimma
Cash haffi flow fi d sumptuous dinner
Ei man fi turn inna antenna
Fi get controlled
Dem thing deh cyaah work

Sing it to the world and tell dem this
Bbroken hearted nuh easy fi fix
If a man ever fall a victim
It's very hard to please
So then if love so nice
Tell me why it hurt so bad
If love love so nice
Tell me why I cry

Every man want a gyal from foreign
Father a check who and who him a par with
Dem tired a di bread and sardin
Want know which car she a drive
In a cudda Benz or bimma
Cash haffi flow fi d sumptuous dinner
Woman fi turn inna antenna
Fi get controlled
Dem thing deh cyaah work

Right yah now d world a turn into
A different place now
Nobody nuh care about the broken hearted
So every body a turn into a player now
