Stonebwoy

Say let thy will be done on earth
As is it in Zion on creator and ruler of the universe
Yeah yeah
Yeah yeah ee

Who wo wo
Who shall I be
If not by the most high ee
Who keeps on blessing I and I
Like a tree by the river side (Ai ai ai)
Each and everyday I'm green
His mercies ye ye ye
Never ever changing

And upon till this day
Mi faithfulness never seizes because the Lord rain it and leave it inna de a
htah fa flesh
So every tongue shall confess and every knee shall bow
From generation to generation thy word
Shall forever be the foundation
And the four corners of de world shall know
I will praise my God all the days of my life
Wen will u realise de truth and de light
And evil deed shall never de light
I surrender to God All my life
Just I know

Everything I always wanted
Father God has always provide them
My friends and family protected
I man ah de most wanted

Everything I always wanted
Father God had always provide them
My friends and family protected
(Whaawo)

Now fire with
Praises and praises
To the most high Lord
Now and forever more
Every soul must bow down to de floor (or or)
I tell them

Praises and praises
Onto the most high King
The ruler over everything
Maker of every living being

Now fire with Praises and praises
To the most high Lord
Now and forever more
Every soul must bow down to de floor or or

I tell them Praises and praises
Onto the most high King
The ruler over everything

Maker of every living being

Who wo wo

If not by the most high ee

Who keeps on blessing I and I

Like a tree by the river side (Ai ai ai)

Each and everyday am green
