

Strength & Hope

Stonebwoy

Strength and hope
Strength and hope
You are mi strength and my hope, Jah Jah
Ah know say God is my light and my salvation
My strength and my hope in times of my distress
Who shall I fear?
Nobody

Careful ah who you gonna trust in the day
'Cause in the night you never see them
Whole lipppa things we do as mankind they are well hidden
And anything I don't see, I don't hear
From them things Jah Jah tell me never fear
I'll never know
What kinda bakkle Jah fight for me

Strength and hope
Strength and hope
You be my strength and hope
In times like this, I cannot cope
Jah Jah give me strength and hope
Strength and hope
Strength and hope
You be my strength and hope
In times like this, I cannot cope
Jah Jah give me strength and hope

We are talk 'bout strength, we don't mean no strength from the gym
Talkin' strength from within
God inna high give me the power to go fight and win
Spiritual battles and things, oh
My hope is not to the million dollar and the things that I own
My hope lies in the hands of the Father

Strength and hope
Strength and hope
You be my strength and hope
In times like this, I cannot cope
Jah Jah give me strength and hope
Strength and hope
Strength and hope
You be my strength and hope
In times like this, I cannot cope
Jah Jah give me strength and hope

Careful ah who you gonna trust in the day
'Cause in the night you never see them
Whole lipppa things we do as mankind they are well hidden
And anything I don't see, I don't hear
From them things Jah Jah tell me never fear
I'll never know
What kinda bakkle Jah fight for me

Strength and hope
Strength and hope
You be my strength and hope
In times like this, I cannot cope

Jah Jah give me strength and hope
Strength and hope
Strength and hope
You be my strength and hope
In times like this, I cannot cope
Jah Jah give me strength and hope
Strength and hope
Strength and hope
You be my strength and hope
In times like this, I cannot cope
Jah Jah give me strength and hope
