

Take Me There

Stonebwoy

Mhmmmmmmmm mhmmm mhmmm yaaaaaaa ayeee eeeeeee

Ah another love song fi dem
Chemist hear me yo

Take me there take me there
Only you alone no stop to dry away my tears
Baby
Make we share make we share
Wanna know what's best to make a take away your fears

Nothing cah wrong
If mi a yuh man (yea)
No other Gyal cah tek yuh place
Our love is strong
Mek we prove them wrong
We coulda never get misplaced

Will take you there take you there
Only you alone no stop to dry away my tears
Baby
Make we share make we share
Wanna know what's best to make a take away your fears

Open up to me
Let's make some memories
Create a family (yea yea, yuh hear me)
A no you alone can feel this
Long time mi know you a the realest
Man them out a road them a pree this
So mi a keep this

Will take you there take you there
Only you alone no stop to dry away my tears
Baby
Make we share make we share
Wanna know what's best to make a take away your fears

Nothing cah wrong
If mi a yuh man (yea)
No other Gyal cah tek yuh place
Our love is strong
Mek we prove them wrong
We coulda never get misplaced

Will take you there take you there
Only you alone no stop to dry away my tears
Baby
Make we share make we share
Wanna know what's best to make a take away your fears

Open up to me
Let's make some memories
Create a family (yea yea, yuh hear me)
A no you alone can feel this
Long time mi know you a the realest
Man them out a road them a pree this

So mi a keep this

Will take you there take you there
Only you alone no stop to dry away my tears
Baby
Make we share make we share
Wanna know what's best to make a take away your fears
