

Understand

Stonebwoy

Stonebwoy

You know I understand you now

1GAD again

Alacai Harley, Jamaica

I got a thing I wanna let you know

(Take it to the Island, y'know)

You haffi understand

You haffi understand

Me never like them other man

You haffi understand

You haffi understand me now, now, nah

Baby, you haffi understand

You haffi understand me

Is it gonna be worth it?

Loving me night and day

Can't keep your hands off me

Feely, feely

You go see am feely

The love way I get for you

Anybody test I go pull a nine milli, milli

No body send me, no

Just for the backa I go spend one milli, milli

Yeah, take it from me, girl

Woulda never break your heart

When you gimme, gimme

I wanna give you my love

You haffi understand

You haffi understand

Me never like them other man

You haffi understand

You haffi understand me now, now, nah

Baby, you haffi understand

You haffi understand me

Is it gonna be worth it?

Loving me night and day

Can't keep your hands off me

Chat bwoy, me hope say you know just a gi me chat bwoy

From me see you me see say you is a bad bwoy

Yet me still want come cuddle up, bwoy

Give you all my trust bwoy

You say you want me alone

Put it down when I get home

So make sure when I come to see you

Baby, don't pick up that phone

You haffi understand

You haffi understand

Me never like them other man

You haffi understand

You haffi understand me now now nah

Baby, you haffi understand
You haffi understand me
Is it gonna be worth it?
Loving me night and day
Can't keep your hands off me

You haffi understand me now
You haffi understand me now
Me di makuma nyi na be ma wo odo e
You haffi understand me now
Understand me now
Me di makuma nyi na kye wo odo fafa

Style a style and style can't spoil and you
Know the love been real from time baby
Style a style and style can't spoil baby
So give your queen wey she need every time yo

Style a style and style can't spoil and you
Know the love been real from time, baby
Style a style and style can't spoil, baby
So give your queen wey she need every time yo

You haffi understand
You haffi understand
Me never like them other man
You haffi understand
You haffi understand me now, now, nah

Baby, you haffi understand
You haffi understand me
Is it gonna be worth it?
Loving me night and day
Can't keep your hands off me

Feely, feely
You go see am feely
The love way I get for you
Anybody test I go pull a nine milli, milli
