

Shadowland

Stoned Jesus

Simple and plain
I am not insane
Don't look away
Burden of the day

Will you join me
Here in Shadowland
Ground under my feet
Is turning to quicksand
Gone away

What should I say
Just to make you change
Please find the way
When I'm gone away

Will you join me
Here in Shadowland
Ground under my feet
Is turning to quicksand
Gone away

Look what you've done
Time is running out
Can't you understand
What this was all about

Now you'll join me
Here in Shadowland
Ground under our feet
Is turning to quicksand
Gone away
Gone away
Gone away
