

Before I Met You

Stonewall Jackson

I thought I had seen pretty girls in my time but that was before I met you

I never saw one that I wanted for mine but that was before I met you

I thought I was swinging the world by the tail I thought I could never be blue

I thought I'd been kissed and I thought I'd been loved but that was before I met you

I wanted to ramble and always be free but that was before I met you

I said that no woman can ever hold me but that was before I met you

They tell me I must reap just what I have sown but darling I hope that's not true

For once I made plans about living alone but that was before I met you

Yes that was before I met you
