

Te Amo Mas Que La Vida

Stoney LaRue

It was never my intention
To let this moment come to pass
It took a while and then some
To realize it wouldn't last
When my mind gets to runnin'
And all the shadows disappear
You always tug upon my coat sleeve
About this time of year

Te amo mas que la vida
I carry you around
Te amo mas que la vida
Every sight and every sound
It's late I know
And it's going quiet now
Te amo mas que la vida
I carry you around

I'm not the kind that likes to worry
About these wrinkles on my skin
My vision goin' blurry
Or my hair growin' thin
But the thought of you leavin'
It shoots a racin through my heart
While the bitter cold of winter
Blows the curtains apart

Te amo mas que la vida
I carry you around
Te amo mas que la vida
Every sight and every sound
It's late I know
And it's going quiet now
Te amo mas que la vida
I carry you around

Te amo mas que la vida
