

Waterfalls

Stooshe

A lonely mother gazing out of the window
Staring at her son that she just can't touch
If at any time he's in a jam she'll be by his side
But he doesn't realize he hurts her so much
But all the praying just ain't helping at all
Cuz he can't seem to keep his self out of trouble
So he goes out and he makes his money
The best way he knows how
Another body layin cold in the gutter

Listen to me

Don't go chasing waterfalls
Please stick to the rivers
And the lakes that you're used to
I know that you're gonna have it
Your way or nothing at all
But I think you're moving too fast

Little precious has a natural obsession
For temptation but he just can't see
She gives him loving that his body
Can't handle and all he can say
Is "baby is good to me"
One day he goes and take a glimpse in the mirror
But he doesn't recognize his own face
His health is fading but he doesn't know why
3 letters took him to his final resting place...

Y'all gonna hear me

Don't go chasing waterfalls
Please stick to the rivers
And the lakes that you're used to
I know that you're gonna have it
Your way or nothing at all
But I think your moving too fast

Come on

I seen a rainbow yesterday
But to many storms have come and gone
Leaving a trace
Of not one God giving ray
Is it because
My life is ten shades of grey
I pray all ten fade away
Seldom praise him for the seven days

And like his promise is true
Only my faith can undo
The many chances I blew
To bring my life to anew
Clear and blue and unconditional
Skies have dried the tears from my eyes
No more lonely cries

Don't go chasing waterfalls
Please stick to the rivers
And the lakes that you're used to
I know that you're gonna have it
Your way or nothing at all
But I think your moving too fast X2
