

# Passion

Stormwind

Passion  
still rules!  
I'm finding my spirit alive!  
Love is blind!  
I'm losing all control!

Is this a dream  
or can this be a real world?  
It takes all your thoughts you  
hold dear!

I'm gone with the wind  
i followed the spell of love  
which now besets my soul!

A million miles  
from anything i've known before  
it's keeping my spirit alive!

It changed my life  
released my shadows inside  
while seeking passion  
with my face turned heavenwards
