

Samuraj

Stormwind

A man of
meditation
he walks the warrior's road
a man that no one conquers!
A warrior without fear in his heart
with piercing eyes he sees into your mind

he has attained mastery of his art
and reveals it in all his actions!

Samuraj!
Live or die!
Father to son!

A warriors eye!
Live or die!
To kill without a sound!

He recognises a true threat
patience is a quality of this man
his mind is like a mirror that reflects
the power of his ki and zen.
