

## Bronze

Stormzy

On this year, gone this year  
Man ah eat rice and stew and  
Man I'm strong this year  
Big like John this year  
Ball like Lebron this year  
Storm's got a platinum plaque  
But you mad I'm getting bronze this year, yeah

They wanna buy the flavors that we smoke  
I said fuck that, you get free smoke  
If I say this, they might re-vote  
Why I'm the king of Grime by default  
Big ego, man can't diss my amigo  
Old school, bad boy like Figo  
Anywhere the gang go, then we go  
Aye yo, Big Flipz, hop out the jet first  
Man, I'm running to the money till my legs hurt  
And you niggas don't rap, you just network  
Name a young MC with my net worth  
Oi, Google lied, they said that I'm 1.5  
But I made that last night  
And money don't make me fried  
But they got mad when I said I made a milli' off Grime  
These gatekeepers are pricks  
And you old guys make me sick  
They just take the P, take the mick  
So, in other words, suck my dick  
I phone Crazy T, like yo, Titch  
You was right about him, he's a bitch  
Ain't no diss tracks, I just switch  
Then we move on and get rich

On this year, gone this year  
Man ah eat rice and stew and  
Man I'm strong this year  
Big like John this year  
Ball like Lebron this year  
Storm's got a platinum plaque  
But you mad I'm getting bronze this year  
She said, "I don't mean to 'ude, but I love the smell of your Oud"  
I said, "Thanks, baby, yours too"  
Big Mike, I'm a real fly dude  
If I'm in the race, I won't lose  
When you hit the stage, you get boo'd  
If I punch your face, I get sued  
You ain't bad, you're just rude  
Lamborghini too sporty  
She ain't bad, she just naughty  
I'ma big man, but I'm not 40  
Anything that I drop, Top 40  
Why them boys don't support me?  
All them boys are too hatey  
I don't know, they just hate me  
Over or underrate me  
Humble them maybe
