Stormzy

Doo-doo-doo-doo-doo  
Doo-doo-doo-doo-doo  
Doo-doo-doo-doo-doo-doo-doo  
Doo-doo-doo-doo

Oh, girl, you're shinin'  
You know you're my diamond  
You need remindin'  
This moment of timin' when your  
Soul needs alignin' (Soul needs alignin')  
It's me you confide in (Confide in)  
Seekin' and hidin'  
You know where to find me, babe

Go, go, go, go, who's lookin' that mind of you?  
You don't need to call me, just come through  
I don't really like to see, ah, really feels good  
Say me worried, me want fi do  
All the money and the world you with  
Still can't make you happy  
Yeah, me know that can get spooky  
In my life, me make it groovy, yeah

When you need the sugar, you give me signal  
You get the keys to my yard  
You sabi the keys to my [?]  
Yeah, you dey like to my fire  
Every day I see you, it's like the first time  
I can't comprehend these feelings, feelings

Oh, girl, you're shinin'  
You know you're my diamond  
You need remindin'  
This moment of timin' when your  
Soul needs alignin' (Soul needs alignin')  
It's me you confide in (Confide in)  
Seekin' and hidin'  
You know where to find me, babe

I'm on your mind, body, woah  
Show my love, show my love  
Show me love  
I got feeling, feeling, feeling, feeling  
In every season, I go stand by you

What we lookin' for? Let me search now  
Take your shoes off, put your purse down  
How you gonna tell me that it's never gonna work now?  
Type of shit to make me put a verse down  
Worse now 'cah we made our bed and gotta lay in it  
Thought it wasn't hard for me, but every day it is  
Heartbreak's such a dark place, but we stay in it  
What I'm sayin' is exactly what I say it is, I found you  
I feel your presence when I'm not around you  
Queen in your city, they need to crown you  
Holy water, baby, let me drown you  
Fire and water, I gotta 'low you

Burn out then reappear  
Light still guidin' you home, you know I'm there  
And rest assured if you ever needed help  
Or just need a place to hide, know I'll keep it to myself, word

Oh, girl, you're shinin'  
You know you're my diamond  
You need remindin'  
This moment of timin' when your  
Soul needs alignin' (Soul needs alignin')  
It's me you confide in (Confide in)  
Seekin' and hidin'  
You know where to find me, babe

Doo-doo-doo-doo-doo  
Doo-doo-doo-doo-doo  
Doo-doo-doo-doo-doo-doo-doo  
Doo-doo-doo-doo (Know where to find me, babe)  
Don't wanna fight no more  
Keep me where I belong  
I've tried and I've tried  
But I just can't hide from your love  
I'm on your mind, body, woah  
Show my love, show my love  
Show me love  
I got feeling, feeling, feeling, feeling  
In every season, I go stand by you
