

## Please

Stormzy

Oh-woah, oh-oh, oh, yeah, yeah, yeah  
Oh, please, please  
Oh, please, oh, please, yeah  
Woah, woah, woah, oh, please

Please, could you lower your tone? (Please)  
Please, could you get off my phone? (Oh, please)  
And please, leave Megan alone  
I said, please, leave Megan alone (Woah, woah, woah, oh, please  
)  
It cuts deep when you deep that your house was never your home  
You wanna speak but it's best that you don't (Please)  
Under pressure we fold  
Best believe we're protectin' you from (Oh, please, oh, please)  
I had to let it be known, we eventually grow (Woah, woah, woah,  
oh, please)  
I'm a sensitive soul, please, could you pause the applause? (Oh  
, please)  
Please could let me be floored? (Oh, please)  
And please, leave your pain at the door  
Yeah, it's too much in this house and I can't bear anymore (Woa  
h, woah, woah, oh, please)  
Please, spare me a fall  
Please, Lord, give me the strength to forgive my dad for he is  
(Oh, please) flawed I and so am I so who am I to not (Oh, pleas  
e)  
To not forgive a man who tries, I see his soul, I know it cries  
(Woah, woah, woah, oh, please)  
But with this pain I'd rather  
With this pain I'd rather paint (Oh, please)  
And try to turn this broken picture into something it ain't (Oh  
, please)  
This pain I'll rather hold because it's made me who I am (Woah,  
woah, woah, oh, please)  
It's probably time I let it go, I free myself from myself  
I free youth from regret (Oh, please)  
I grant you peace before you rest and that's the least that you  
should get (Oh, please)  
I think we've both suffered enough, please

Woah, woah, woah, oh, please, please  
Oh, please, oh  
Woah, woah, woah, oh, please, please  
Oh, please  
Woah, woah, woah, oh
