

## The Intro

Stormzy

What you're about to hear is material that has been written and recorded in 168 hours.

Many believe an accomplishment of this stature is staged or over-exaggerated in some way, shape or form.

To some, this may even be deemed impossible. However, opinions and views cannot dispute fact. 7 days, 1 week, 168 hours. 168, the mixtape

You know what it is, yeah? It's not even the fact that I'm, that I'm underrated or, or the fact that I'm, I'm being slept on. It's the, it's the fact that people don't think I'm a threat, do you understand? People don't think that I'm, that I'm one to be, to be looked out for, one to be watched. And that's when it becomes a problem, that's when I have to rise up and become a problem, do you understand? Cause last year I put out some unprecedented shit. You know what I'm saying? So, but man can see me, and to know what I'm on, and man still want to sleep on me, I'm gonna have to, I'm gonna have to rise up and become a problem. I'm gonna have to kill everyone. That's what it basically is

Look, I'm a fucking problem

And these rappers just don't seem to comprehend

And all these little niggas wanna hype up on the Twitter

Then salute me when I buck and when they see me on the ends

Hate when bruddas stalk me on my ones and try approach me like a dummy

Then they crumble when they see me with my friends

These rappers is pricks, I'm back on my shit, I carry my strip

And see them dickheads, I will not feature with them

They let the beast out of the pen, they let me out my cage

I'm a [?] to the game, I will not speak of it again

Went from grime to rap and nowadays I'm kinda back

But sometimes I just feel to go and fucking cheat on it again

Had to free the realness, come and tell me what the deal is

And plus I fucking sick, illness is leaking out my pen

Had the rap game sussed, was about to fucking buss

But the condom split, I ain't beating it again

So I missed him with the shot, but I caught him on the rebound

Mic check, check 1-2, can I speak now?

Lights out, knock a little nigga for the [?]

I like to play nice with my teeth out

[?] from my conscience to my deep down

He said it's on Michael, kill em all Michael

Then I said "OK, let the beast out"

I'm like that nigga Bane [?]

See, I bring a lot of pain, I'm coming from the block

They're saying Stormzy's in the way, someone come and stop  
But I'm a fucking problem, that's my fucking problem
