

Vossi Bop

Stormzy

Merky

Like, my brothas don't dab, we just vossi bop
I tell your girl to link me at the coffee shop
Gettin' freaky in the sheets, we're takin' body shots
Then I finish with a facial, just to top it off, ay
My brothas don't dab, we just vossi bop
I tell your girl to link me at the coffee shop
Gettin' freaky in the sheets, we're takin' body shots

You ain't got a clue, let's be honest
I had a couple seeds and made a forest
I put in the work and take the profit
Lookin' at my girl like "What a goddess!" (Thank God)
Rule number two, don't make the promise
If you can't keep the deal, then just be honest (Just be honest)
I can never die, I'm Chuck Norris (Chuck Norris)
Fuck the government and fuck Boris, yeah
I'm a villain, kill 'em when I'm bar'in
Brothers in the hood, just like the movie that I star in
Servicin' my whip, I phone the boss to bring my car in
I could probably take your chick
But I just wouldn't 'cause she's jarrin'
Oh, I got the sauce (Sauce)
Don't know what you thought
Catch me up in snowin, in my sliders and my shorts
Chicks tryna get my brotha Flips to share his thoughts
I think he's tryna tell me I should tell her he don't talk
I don't fuck with her
Yeah, I used to hit it but you're stuck with her
Man, I wouldn't even try my luck with her
Gyals say I'm boujee (Word)
Way too exclusive (Word)
Chillin' in Dubai, know I get it all inclusive (Word)
Now may I ask if you can find it in your spirit
To leave us all alone and go and mind your fuckin' business
Lookin' in the mirror, sayin' "Mickey, you're the illest"
Man, I'm James Bond, tryna live my movie like I'm Idris
What we tellin' 'em

Look, my brothas don't dab, we just vossi bop
I tell your girl to link me at the coffee shop
Gettin' freaky in the sheets, we're takin' body shots
Then I finish with a facial, just to top it off, ay

So much vossi, I might open up a vossi shop
Mummy sayin' that I need to get some sleep
All this flyin' overseas always fuckin' up my body clock
And all this stress has got me rackin' up my brain
So tell these likkle fishes back up off my name
I ain't gotta be a rapper with a chain

'Cause the rules are kinda different when you're baddin' up the game (Straight)

Baddin' up the game, bad it up again
Had 'em up before, I'll have 'em up again
Fake brothas, man, your mandem all pretend
Pussy by himself, he's badda with his friends
Aw, you man are so insecure, man it's a joke
I need a Ballon D'Or cos I'm the G.O.A.T
If you believe in your source, then raise a toast
These are some genius thoughts, so make the most
Told her, save me some
I need all the homage, could you pay me some?
Man are dropping bangers on your baby mums
Girls say I'm rude, they wanna see me nude
My name's Stiff Chocolate, I got nothin' left to prove
I've got holes in my lapel, rubbin' shoulders with your girl
Which one of ... said that I would go to jail?
Well, I guess you'll have to hold a 'L'
Tell 'em this is London City, we the hottest in the world
Well, we tellin' 'em

Look, my brothas don't dab, we just vossi bop
I tell your girl to link me at the coffee shop
Gettin' freaky in the sheets, we're takin' body shots
