Story Untold

Fuck this I'm done being stuck  
In this never ending rut  
It seems like everyday's the same  
But just a little worse

I hate the place I'm in and all the people I meet  
I know everyone's got reasons to feel down and weak  
As much as I try not to feed into this clique  
It's all I can see

And I don't know  
No, no, nowhere to go  
No, no, no, I don't know  
No, no, no nowhere to go  
No, no, no, I don't know

Cries and fears fuelled up by lies  
Is all I'm surrounded by  
Or is it what I tell myself to fuel this anger I don't want?

I nod my head yes even when I don't agree  
My eyes are showing what I call fake positivity  
I'm not allowed to speak the thoughts I feel deep in me  
Even if it'd set me free

(And it's all over my feed whenever I go online  
It just follows me around like it's part of my design)  
Maybe I'm the same as them 'cause I just complain and whine  
It's all around me

And I don't know  
No, no, nowhere to go  
No, no, no, I don't know  
No, no, no nowhere to go  
No, no, no, I don't know  
And I don't know  
No, no, nowhere to go  
No, no, no, I don't know  
No, no, no nowhere to go  
No, no, no, I don't know  
Stop!
