

## Beat Up

Stradlin Izzy

Got him beat up, got him beat up-eh  
Got him beat up, got him beat up-eh

Yes they told him  
Yes they told him not to go

As they told him that he'd been warned twice before  
Somehow he don't get it, anyway

Got him beat up, got him beat up  
Got him beat up, got him beat up  
Got him beat up, got him beat up

Yes they told him  
Yes they told him not to go  
It make no difference when you're talking to a wall  
Guess he'll have to learn the hard way, yeh

Got him beat up, got him beat up  
Got him beat up, got him beat up  
Got him beat up, got him beat up  
Got him beat up, got him beat up
