

Comfort Zone

Stradlin Izzy

Made my mind up
Time to go
Bought a ticket for a ride
Leave behind me
All I know
Left the comfort zone aside

Comfort zone, ahahaha
Comfort zone, ahahaha

Times been flying
Move too fast
Still I'm sailing in this place
Made my mind up
It's time to go
It doesn't matter anyway

Comfort zone, ahahaha
Comfort zone, ahahaha

Comfort zone, ahahaha
Comfort zone, ahahaha

Back on dry land
Once again
People yelling write us soon
Looking forward
To my return
To get back to the place I was

Comfort zone, ahahaha
Comfort zone, ahahaha
Comfort zone, ahahaha
Comfort zone, ahahaha
Comfort zone, ahahaha
Comfort zone, ahahaha
